We conducted our review in accordance with International Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the independent Auditor of the Entity' which applies to review of historical financial information performed by the independent auditor of the Securities Broker. Accordingly, we do not express an audit opinion

## Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying statement is not prepared, in all material respects, in accordance with the requirements of Third Schedule of the Regulations.
